

## December Updates

Douglas Park Families,

A few updates to the December Newsletter.

### Report Cards

Report cards will be available after school on Monday, Dec. 18 (not the 17, as stated in the newsletter).

A message from the district regarding the date change for report cards:

*Report cards for all students will be available to view on **Monday, December 18, 2017.***

*Originally, District approved school calendars indicated that report cards for all schools (except: ACSS, LSS, Vanguard, DWPS, LFMS & LFAS) would be available to parents on Friday, December 15, 2017. This is no longer possible as necessary and unforeseen updates to the MyEdBC system must be performed. While the province-wide update is being carried out Friday, December 15 to Sunday, December 17, the MyEdBC system will be unavailable. Thank you for your cooperation and understanding.*
